

Audubon ARIZONA  
**Enchanted Trail**  
October 21 & 22, 2016

Enchanted Trail is Audubon Arizona's annual fall festival. The event is intended to give visitors a greater appreciation for Arizona's nocturnal (night-active) wildlife through educational activities, live wildlife, and crafts. **This year's focal animals are the Coyote, the Pallid Bat, and the Western Screech-Owl.**

Each young participant will be given an **Enchanted Trail Passport** that will assign them one of the three focal animals (each animal corresponds to a sticker color). There are three questions in the passports - by answering them, participants will learn which animal they are!

## **Mask Making:**

At the end of the Enchanted Trail, visitors will find themselves in the Rio Salado Audubon Center's classroom where they will have a chance to make a mask of one of the event's three focal animals. You should encourage participants to make the mask of the animal that they learned about by answering the questions in their passport, but allow them to make whichever they like.

- Distribute the craft supplies amongst the tables as they run low. Do not put all of the materials out at once or the visitors will use them all up!
- Help visitors finish their craft by measure/tying a piece of yarn to their completed mask.
- Cut extra strings and tie them onto the pre-cut masks when you have free time - visitors can pile up as the event gets busy!
- Encourage visitors to participate in the Enchanted Trail raffle while they are making their masks.

**THANK YOU** for volunteering at this year's Enchanted Trail!
