

Audubon ARIZONA

Enchanted Trail

October 21 & 22, 2016

Enchanted Trail is Audubon Arizona's annual fall festival. The event is intended to give visitors a greater appreciation for Arizona's nocturnal (night-active) wildlife through educational activities, live wildlife, and crafts. **This year's focal animals are the Coyote, the Pallid Bat, and the Western Screech-Owl.**

Each young participant will be given an **Enchanted Trail Passport** that will assign them one of the three focal animals (each animal corresponds to a sticker color). There are three questions in the passports - by answering them, participants will learn which animal they are!

Welcome Station:

The welcome table is the first station visitors will encounter on the Enchanted Trail. They will likely have lots of questions!

- Give each CHILD one Enchanted Trail passport and a blacklight. Explain the passport contains a map of the event and three questions that will help them discover which of the Enchanted Trail animals they are. At the end of the trail, visitors will find a mask-making station where they can get into character by creating an animal mask.
- Advise children to search for clues that are framed in the same color as the sticker on their passport.
- Advise visitors not to miss out on our moth viewing station and night hikes! The moth viewing and welcome station for the night hikes are both at the northwest corner of the event (show them on their map if needed).
- Send visitors to the first station, the Bat Cave, where they will learn where their mystery animal lives.

THANK YOU for volunteering at this year's Enchanted Trail!
