

## Your Donation Will Help Birds, Other Wildlife, People, and the Environment

**\$100, \$75, \$50 and other donations support...**

Field trips that teach children the awe and wonder of nature

Safety for burrowing owls saved from death at construction sites, relocating them to new human-made homes (burrows)

Conservation Work Days that mobilize volunteers who enhance the Rio Salado habitat

Seeds and cuttings for children to do hands-on plant propagation that restores urban habitats

Water conservation policy work, advocacy, and community awareness communications

Hummingbird kits for classrooms that would otherwise lack any environmental education

Climate change awareness and action to benefit birds and other wildlife

Field work for vital data collection about federally threatened bird species, helping mitigate their decline

Audubon expertise shared with Boy Scouts/Girl Scouts in customized nature projects

Audubon's role as a convener and problem-solver - training, conferences & communications serving Arizona chapters

After-school nature exploration field trips for children in need

Collaborative habitat restoration for the endangered Yuma Ridgway's Rail in the Gila River basin
